

USB-C HDMI Hub

Connectivity for Laptops & Chromebooks

Using a laptop or Chromebook™ with a USB-C port? Expand your reach! The new USB-C HDMI Hub provides the power of a desktop docking hub in an ultra-portable size. Connect to hard drives, printers, smartphones, cameras and more with the Hub's 3 high-speed USB 3.1 ports. Watch your movies and videos on external monitors and flat screen TVs (up to 4K) using the Hub's 4K HDMI port.

Features

HDMI 4K Video Port

UHD (3840x2160 @ 30Hz)
HD (1920x1020 @ 60Hz)

Three USB 3.1 ports
